To Parent/Guardian:

- Students must select 7 credits. All courses are 1 credit unless indicated with an "S" or semester course or if it is labeled for 2 periods. The semester courses are a half credit. They must be matched with another semester course. The 2 period courses will earn 2 credits.
- Students must select alternate courses as back up choices.
- Please review these selections to be sure that they satisfy graduation requirements, as well as academic needs, career interests, and personal goals.
- Students applying for academy courses must select the academy course on this form and complete the separate academy application.
- Students selecting Dual Enrollment or Online Campus must also complete additional forms and applications.
- Prior to June 14, change requests should be made with high school counselors and will be honored only if class space permits. After June 14, schedule changes will be made only to correct errors in placement, or to resolve conflicts with classes.
