Transcript Changes

For all enrolled high school students in the 2023-24 school year and beyond, high school course titles will now reflect:

- **HN (Honors)** for any course that has a 0.5 additional weighting.
- **AV (Advanced), AP (Advanced Placement), DE (Dual Enrollment), or IB (International Baccalaureate)** for any course that has a 1.0 additional weighting.

Factors to Remember

- Number of college applications
- Do not apply to schools you have no intention of attending.
- Keep deadlines and application types in mind
 - Early Decision, Early Action, Rolling, Regular
- Submit your application when it is complete- you do not need to wait for counselor or teacher recommendations.
- Ignore auto generated emails about missing information- it takes time for schools to match applications to supporting documents.

Consent For Release of Information

IS-111 - Must be completed one time only

Two main purposes of form:

- Authorization to send transcripts and other information in support of post-secondary applications
- Decision to waive the right to review a letter of recommendation - Yes or No (see next slide)

Submit electronically with Transcript Request Form to Mrs. Parrott at KCParrott@fcps.edu

Consent For Release of Information

- Please consider carefully before you make your choice to waive or not waive your rights. Common App states:
 - “Waiving your right lets colleges know that you will never try to read your recommendations. That in turn reassures colleges that your recommenders have provided support that is candid and truthful. While you are free to respond as you wish, if you choose not to waive your right some recommenders may decline your request and some colleges may disregard letters submitted on your behalf.”
- Goal from staff is to help support the student
 - All recommendations written will be positive
 - If issues/concerns with writing a positive recommendation - staff will decline

Consent for Release Form- Example

CONSENT FOR RELEASE OF STUDENT RECORDS IN SUPPORT OF POSTSECONDARY APPLICATIONS

Instructions for Use: This form is to be used by parents and/or guardians and students aged 18 or older to authorize Fairfax County Public Schools (FCPS) to release student records and related information to support student applications to colleges, universities, scholarship sponsors, employers, or other similar organizations. This consent form needs to be signed only once. The student, parent and/or guardian will use a separate form, your school's transcript request form, to identify all schools and organizations to which records may be sent.

CONSENT

By my signature below, I authorize FCPS to release to any school or organization identified by me on my school's transcript request form any of my school records or other information about me that is requested by the school or organization in support of my application. This may include, but is not limited to, my transcript, other school records, and any letters of recommendation written by FCPS employees. However, this authorization specifically excludes the release of discipline information.

By my signature below, I also authorize FCPS employees, including but not limited to, administrators, teachers, and counselors, to communicate with and respond to inquiries from the school or organization concerning my application and my credentials.

FCPS may release the required records and information by electronic or other means directly to the school or organization or to a service used by the school or organization to facilitate its application process. These services include, but are not limited to, the Common Application, Naviance, and/or Family Connection, Coalition for Access, Affordability, and Success, and other services approved by FCPS.

I also understand that I have the right to review or have copies of any records that FCPS transmits to the school or organization. If I have responded yes to the statement below, however, I have waived the right to review or have copies of any letters of recommendation written by FCPS employees.

If an application requires or requests a student's social security number (SSN), FCPS staff members should not enter the student's SSN on his or her behalf.

- Yes, I waive my right to review or have copies of any letters of recommendation written by FCPS employees.
- No, I do not waive my right to review or have copies of any letters of recommendation written by FCPS employees.

My signature below confirms that I have read and understand this consent form.

Note: Both parent and/or guardian and student are required to sign this form. Parent and/or guardian signature is not required, if the student is aged 18 or over and attending a postsecondary school.

Common Data Set Information

The Common Data Set is a collaborative effort among data providers in the higher education community and publishers as represented by the College Board, Peterson's and US News & World Report. The goal is to provide accurate and timely data to students and their families as they apply to colleges.

Set C: First-Time, First-Year (Freshman) Admission is particularly relevant for CVHS students. The data provides insight on the number of students admitted, enrolled, and waitlisted. It highlights admission requirements and the importance of academic and non-academic criteria in the application review process.

Google "Common Data Set" and the name of the university you are researching to find the most recent statistics and information. Check out a few examples here: [George Mason](#), [Longwood](#), [Mary Washington](#), [JMU](#), [ODU](#), [Radford](#), [UVA](#), [VCU](#), [Virginia Tech](#), [William & Mary](#).
