MADRIGALS (AFTER-SCHOOL STUDENT-LED A CAPPELLA GROUP)

CONTEMPO (AFTER-SCHOOL STUDENT-LED A CAPPELLA GROUP)

WHAT IS CHOIR/CHORUS?

- Choir is a group of people singing together, with the purpose of working together to put on performances. We are a performing arts ensemble!
- 4 required concerts: Pyramid Concert in November, Winter Concert in December, Pre-assessment Concert (and Choral Assessment - daytime field trip) in March, Spring Broadway Pops Concert
- Our top auditioned ensemble also does additional performances such as the Clifton Holiday Homes Tour, and sings the national anthem for various games and events throughout the year.
- Opportunity to audition for All-District Choir and All-Virginia Choir
- We currently have 3 daytime curricular choir classes (two are auditioned) and 2 student-led after-school a cappella groups. The a cappella groups also perform at our concerts and are a fun social outlet for our students.
- We learn music theory along the way, and we consistently work on sight-reading skills

WHY CHOOSE CHOIR?

-90 minutes of singing and music activities is such a great break from the rest of the academic school day. We have FUN!

-Choir members truly form a community and are almost like a family :)

-**Trips!** This year we traveled to Philadelphia in October. We attended a Philadelphia Orchestra performance, went to the Philadelphia Museum of Art, and shopped and ate at Reading Terminal Market. Last school year we went to New York City! We missed school for 2 days and got to see 2 Broadway musicals and participate in a Broadway song & dance workshop while there, in addition to some sightseeing and other fun activities!

-Students who make it into our two Honors level choirs earn an extra .5 GPA bump!

-Many service hour opportunities throughout the year, as well as student leadership roles

-Colleges and universities love to see HS students sticking with one consistent elective throughout their 4 years, rather than jumping from one elective to another

DO I NEED TO AUDITION?

No! Everyone is welcome, regardless of skill level or experience. We have ensembles for beginning singers, intermediate level singers, and advanced singers. All we ask is that you enjoy singing, since that's exactly what we are: a singing ensemble. We perform together on stage and we depend on every singer's best effort and full focus and participation in order to put on the best performances possible.

If you would like to be in one of our advanced choirs, an audition is required and will be set up in the spring. These are the two choirs that are Honors courses, with a .5 GPA bump.

Attendance at the 4 concerts we perform in each school year is required and graded. There is a required after-school rehearsal before each concert as well.

WHICH CHOIR SHOULD I SIGN UP FOR?

Rising 9th graders: Beginning Chorus

Rising 10th-12th graders: The choir you are currently in

Any student may choose to audition for a select ensemble. Auditions will be held in March/April and consist of 3 parts: a prepared piece, a sight-reading example, and a range check for voice placement (i.e. Soprano, Alto, Tenor, Bass).

Following auditions, the Director will communicate with counselors if any students need to be moved into a new choir class.

TAG DAY

PHILADELPHIA TRIP

PHILADELPHIA TRIP

PYRAMID CONCERT

WINTER CONCERT

CLIFTON HOLIDAY HOMES TOUR PERFORMANCE & DINNER

CLIFTON HOLIDAY HOMES TOUR PERFORMANCE & DINNER
