CVHS College Partnership Program	College Partnership Program (CPP) is designed to support students, particularly those from historically underrepresented populations, in their transition to college. The goal of CPP is to systematically reduce barriers to access and opportunity and provide equitable access to postsecondary opportunities and activities necessary for college and career readiness. Key components of the program include: College Courses: Opportunities for students to take college-level courses while still in high school, including dual enrollment or advanced placement. Advising and Counseling: Personalized guidance on college applications, financial aid, and career planning. Workshops and Seminars: Sessions on college readiness, application processes, and scholarship opportunities. Campus Visits: Organized trips to local colleges and universities to provide students with insights into campus life and academic environments. Support Services: Access to resources such as tutoring, academic support, and mentorship from college staff and faculty. The CPP aims to help students transition smoothly from high school to higher education and enhance their chances of success in college.
