## NEWS & INFORMATION

Over 550 students and families attended one of the **College 101** workshops this week at Westfield, Lake Braddock, or on zoom. Thank you for your thoughtful questions! Ms. Slater shared that only 3.4% of the 2,012 four-year colleges in the US have an acceptance rate of 25% or less. As she indicated, “The majority of schools (87.8%) are accepting the majority of students (51% or higher admit rate).” The PowerPoint is posted in the Student Services Schoology Course under College Application Essentials. It is also located on our school website [here](#).

As of Nov. 11, **Transcript Assistant Emiley Slebrch** has processed 2,202 transcripts for 334 students (53.2% of the senior class) to 237 different colleges and universities. The majority of those requests were for Early Decision and Early Action admission. Rolling decisions are ongoing and Regular Action deadlines are around the corner. Please refer to our [website](#) for details and upcoming transcript request deadlines.
