[BLAST Summer Program for Rising 9<sup>th</sup> and 10<sup>th</sup> Graders](#) - deadline: Wednesday, February 1<sup>st</sup>

Building Leaders for Advancing Science and Technology offers an exciting way for rising 9th and 10th grade students to spend three days of summer! Participating students get to stay in a college dorm and see what campus life is like on-site at one of Virginia Space Grant Consortium’s three partner universities: Old Dominion University, Virginia Tech, or the University of Virginia. Each day of BLAST is jam-packed with science, technology, engineering, and math-related (STEM) activities and demonstrations led by faculty of the university. Students come away from BLAST with a greater sense of curiosity, deeper insight about the variety of careers that exist in STEM, and enhanced readiness for advanced STEM programs.
