# When selecting your classes, think about:

- Balance! Make sure you have time for class requirements, extracurricular activities, work, family and friends!
- Challenging yourself. Where are your interests? Is it time to take an Honors or AP class?
- Teacher recommendations and suggestions.
- Choose wisely! Don't select classes based on who is teaching the course or what your friends are taking.
- Classes fill quickly. Class changes AFTER registration has closed may not be possible.
