The Centreville High School SGA/Leadership Class is designed to develop leadership skills in students through committee work, presentations, independent assignments, service hours, and interaction with other students and teachers. Space in the class is limited; therefore, the application process is competitive. The size of the class will be based on the number of qualified applicants.

### **Several components will be considered in the Leadership application process:**

- The written application (including the short answer questions)
- Teacher recommendations
- An interview conducted by current Senior Leadership students or teacher(s)
- Attendance and disciplinary records

The CVHS SGA/Leadership Class serves to instill values of integrity, service, passion, and cooperation into its students and the school community. We provide an opportunity for dedicated students to be positive role models both inside and outside of the classroom, and make CVHS a better place. Our goal is to make a difference in our school and community through a passionate commitment to integrity, diversity, and principled service. We strive to reach out and include students at Centreville in an effort to unify its community, encourage involvement, and instill school spirit and pride. Students learn and develop leadership skills for the future and then put these skills into practice through the planning and implementation of events.

In addition to regular classroom assignments, **you will be expected to put in a considerable amount of time and effort outside of school.** As a leader, you are a role model. You are required to abide by the signed alcohol/drug free pledge in addition to a class agreement form and to conduct yourself as a responsible, positive student, as you are a representative of Centreville High School. Each student will have different levels of responsibility, and it is up to you to decide how much responsibility you get. You get out of this class what you are willing to put in and if you are willing to put in the work you will succeed in this class.

### **Honor Code Policy:**

If you have received two Honor Code violations in the current school year, you are automatically ineligible to apply for the Leadership class, and your application will not be considered.

**I have read the information provided above, and I understand the eligibility requirements for the SGA/Leadership Class.**
